

World Potato Congress 2012

Think Global. Win Local.

Edinburgh, Scotland, UK 27-30 May 2012

Programme news!

With [leading industry speakers confirmed](#) and a great programme of practical workshops and industry tours, WPC 2012 is shaping up to be another great event for our industry whichever part of it you work in.

[Book your place](#)

Amongst already **confirmed** international-level speakers are:

[Prof. Sir John Beddington](#), UK Government Chief Scientist, giving perspective on global food systems - one year on from the Foresight Report;

[Prof. Anton Haverkort](#), Plant Research International, Wageningen, speaking on sustainability and production constraints;

[Dr Glenn Bryan](#), James Hutton Institute, Scotland, with break-through technology and prospects for the potato genome;

So you can see that the WPC 2012 [programme](#) is **shaping up** - and will be giving global industry perspectives and practical **technical** and **commercial advice**.

And it s not just a working conference there will be plenty of opportunity for networking, relaxing and [seeing the host country](#) and [industry](#) in action!

- Visit the [WPC Linked In](#) event page and Recommend and Share the event with your industry contacts and groups online.
- [Watch our WPC grower video!](#) A leading Scottish grower talks about WPC and how it will benefit you.
