

# International Plant Breeding Congress

[www.intpbc.org](http://www.intpbc.org)

10-14 NOVEMBER, 2013, ANTALYA, TURKEY

## THE SECOND ANNOUNCEMENT

### General Information

The congress will be organized by Plant Breeders Union of Turkey (BİSAB) together with Turkish Plant Breeders Association (TUBİD), Turkish Seed Producers Association (TURKTOB), ECO Seed Association (ECOSA), along with other such national (GDAR) and international organizations (CIMMYT, ICARDA, EUCARPIA, CIOPIRA, etc.). Supporting institutions are Moldova Academy of Science, Serbian Seed Trade and Plant Breeders Association, Bulgarian Seed Association, Hellenic Plant Breeders and Genetic Society and Murdoch University.

We intended to bring different communities together, namely public and private investment groups, in a friendly environment of Antalya/Turkey to share what they have and benefit from each other.

### Venue

The Congress will take place at WOW Topkapi Palace Hotel in Antalya, Turkey.

<http://www.wowhotels.com/wowtopkapipalace.asp>

### Subjects

Congress will cover following subjects:

- Conventional Breeding
- Molecular Genetics and Biotechnology
- Genetic Engineering and Genomics
- Genetic Resources for Pre-Breeding

### Language

Official languages of Congress are Arabic, English, Russian and Turkish. Simultaneous translation on these languages will be provided during the congress.

### Instructions for Abstract Submission

Abstracts could be in any of the congress languages. If an abstract submitted in Arabic, Russian and Turkish, an English translation of the abstract must also be submitted. Abstracts shall not exceed 250 words written in MS Word format. State the name of author, address and email address shall be provided via e-mail.

Abstract submissions started on April 1<sup>st</sup> and will end September 20<sup>th</sup> 2013. The abstracts could be sent to the Organizing Committee Secretariat by e-mail. Maximum 2 abstracts could be sent by each participant (One oral, one poster or two posters).

All accepted abstracts will be published in a special Book of Abstracts and/or in a CD. Accepted abstracts will be made available on the Congress web site. The last day of publishing of the abstracts on the Congress web site is 20<sup>th</sup> October 2013. The final program will be on the web site 15 days prior to the Congress.
